## BEAUTY, FROM BLUFFS TO BEACHES

DEVIL'S LAKE STATE PARK makes a perfect backdrop in this sunrise celebration, where every detail is enhanced by the jaw-dropping landscape.

### 1. LOOK OF LOVE

Live your dream in this dramatic setting that reflects your love for each other and the outdoors. Our bride's fresh and breezy gown, "Bells" from Alena Leena's Wild in Bloom collection, is a scene-stealer with layers and layers of pleated tulle.

### 2. FINE PRINT

The couple's vows are captured in this calligraphed piece on deckle-edged paper by Oh Eleven Studio. Velvet ribbons and wax seals adorned with dried florals tie it all together with a delicate touch.

### 3. GOLDEN GIRL

Complement your look with a gold cuff corsage, adding a modern vibe to your wedding day look.

### 4. ROMANTIC BLOOMS

One of our favorite details of the day: The sophisticated addition to our gent's lapel with a swath of larger blooms on his extended boutonniere.

### 5. A PERSONAL OASIS

Devil's Lake State Park, with its dramatic bluffs, serene beaches and stately forest, makes a breathtaking background for couples seeking an intimate and romantic spot to tie the knot.

### 6. LEAFY INDULGENCE

The bride added an earthy feel to her big-day look with a signature bleached leaf headpiece to up the drama. A deep red lip adds a sultry splash of color.
